

PRESS RELEASE NO.54/2018

Dt:28.09.2018

Special Camp for water & sewer connections at  
Thiruvengadam Nagar, Ambattur on 27.10.2018

-----

Based on the request of the local public from Ambattur area for ease of registering applications for availing water and sewer connections in their area in place of centralized registration centre at Head Office, a special camp has been organised on 27.09.2018 at the O/o. Depot 82, Area VII at Pilliar Koil St., Kallikuppam, Ambattur to get the applications registered for availing the water, sewer connections in Depot 79, 80, 81, 82 & 85 in Area VII.

In response, 55 applications have been registered during the camp. The Executive Director, CMWSSB had monitored the registration process at the camp. Necessary arrangements had been made to facilitate the public to fill up the applications for Registration and to collect the relevant payment for the connecting charges at the camp itself. The public has expressed the satisfaction for honoring their request and the arrangements made in the camp so as to make the task easier for registering their application and requested Executive Director to conduct some more camps to cover maximum public in this area.

Based on the request of the public, Executive Director assured to conduct another similar camp on 27.10.2018 between 10 a.m. to 3.00 p.m. at Thiruvengadam Nagar, Ambattur, Depot 81, Area VII and requested the public to cooperate with CMWSSB in getting their water / sewer connections at the earliest for maintaining healthy environment.
