

Press release No.65/2018

Dt:31.10.2018

One Time Password allotted for Booking

CMWSSB proposes to strengthen “Dial for Water” services and “Dial for Septic Tank Clearance” system by introducing a unique PIN (One Time Password) to secure the “Dial for Water” and “Dial for Septic Tank Clearance” system. At the time of booking, PIN (OTP) will be sent to the booking consumer in addition to Booking No. via SMS.

At the time of delivery of water and clearance of Septic Tank, please share the PIN with the Driver failing which the services will not be entertained. Also, further bookings will not be entertained if the PIN is not shared with the driver. All the consumers are requested to co-operate for implement the new proposal with effect from 01.11.2018.
